FREAKS OF FASHION DISPLEASE MEN.

Few men can offer any sound criticism of women's clothes. Not one man in fifty has any conception of harmony of color or design.

Once in a while, though, some bubble of fashion's swift and shimmering stream floats along, which tells a story of human character, that even a man can interpret.

The bright colors of bird plumage are said to result from the effort to attract the male. And no doubt the Champs Elysees girl cobbles her boot heels with jewels from the same reason that the Senegambian belle wears nose rings.

How quickly a style of that kind is frowned down by American sense of humor, not to say good taste! Your shoe is the most work-a-day article of your clothing.

If men were asked what style of dressing they liked best in women, they would give little favor to the elaborations of the average dress-maker. These bewilder his eyes and suggest the futile extravagance of the times.

GUNNERS FINED

Arthur Bailey was brought before Justice Donaldson at Lorton a few days ago to answer the charge of shooting game in the snow and shipping the same out of the state. He was fined \$50 and given six months in jail, but he took an appeal and was released upon a bond of \$200 for his appearance before the Circuit Court of Fairfax county.

George Owen Commons was brought by Game Warden Payne before Justice Kerby of Accotink yesterday to answer the charge of hunting without having obtained permission. He was fined \$5 and made to pay \$4.50 costs in addition.
